INTERESTS

Traveling - Enjoy exploring new cultures and experiences, which fosters adaptability and broadens my perspective.

Coding Personal Projects -Continuously working on side projects to improve my development skills.

OBJECTIVE

I'm a passionate Full Stack Developer with hands-on experience in React, Node.is, and Next.is, as well as a strong foundation in Python. I'm excited to apply my skills in building efficient, userfriendly web applications, and I'm always looking to learn and grow in a dynamic development environment. I aim to contribute to a team that values collaboration, innovation, and delivering impactful solutions.
